ICSAN ... The Hub of Governance Professionals

**GOVERNANCE
LEADERSHIP
PROGRAMME:
STRATEGIES FOR
EMERGING LEADERSHIP**

Executive Overview

The Governance Leadership Programme is an executive development programme and a non-residential programme for Company Secretaries, Senior Executives, and Governance Professionals. It is delivered through a series of workshops designed to enhance the delegates knowledge, skills and confidence in the areas that make the difference between good and outstanding performance – strategy, influencing and leadership. It provides the delegates with practical approaches to meet the challenges faced at a career crossroad, in addressing professional challenges, or when seeking greater passion and purpose in the Boardroom. The programme is focused on a think-tank methodology that provides new perspectives on governance and focuses on the link between governance and business performance.

Course Objectives

- Insights into the factors driving the business performance agenda – and the changing role of Governance Professionals and Company Secretaries.
- An opportunity to identify and influence boardroom behaviour
- The changing profile of Governance Professionals and Company Secretaries.
- Identifying and recognizing board dynamics
- Insights into how delegates can support your board with their strategic process

Course Content

- Current Trends in Governance
- Governance and Board Leadership
- Board Oversight of Strategic and Financial Risk
- Board's Role in IT Governance
- The Governance of Strategy
- Corporate Secretaryship
- Maximizing Board Effectiveness
